

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has registered
the Occupational Health and Safety Management Systems of

Statue Cruises LLC

Ellis Island National Immigration Museum, Jersey City, New Jersey 07305

to the Occupational Health and Safety Assessment Management Systems Standard

OHSAS 18001:2007

The Occupational Health and Safety Management Systems applies to the following scope:

Statue Cruises operations and associated services conducted on the landings at Liberty State Park in New Jersey City, NJ and Battery Park in New York City, NY under the Company's concessions contract (CC-STL1001-07) with the National Park Service, including operations on Liberty Island and Ellis Island and ferry service to and from Liberty Island and Ellis Island.

This registration is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Registration does not assure the effectiveness of the Occupational Health and Safety Management Systems or continued compliance with relevant occupational health and safety legislation and regulations.

Registration Number: 2637.02
Issue Date: April 13, 2016
Expiry Date: April 12, 2019
